

New collection schedule

See back for more details ▶

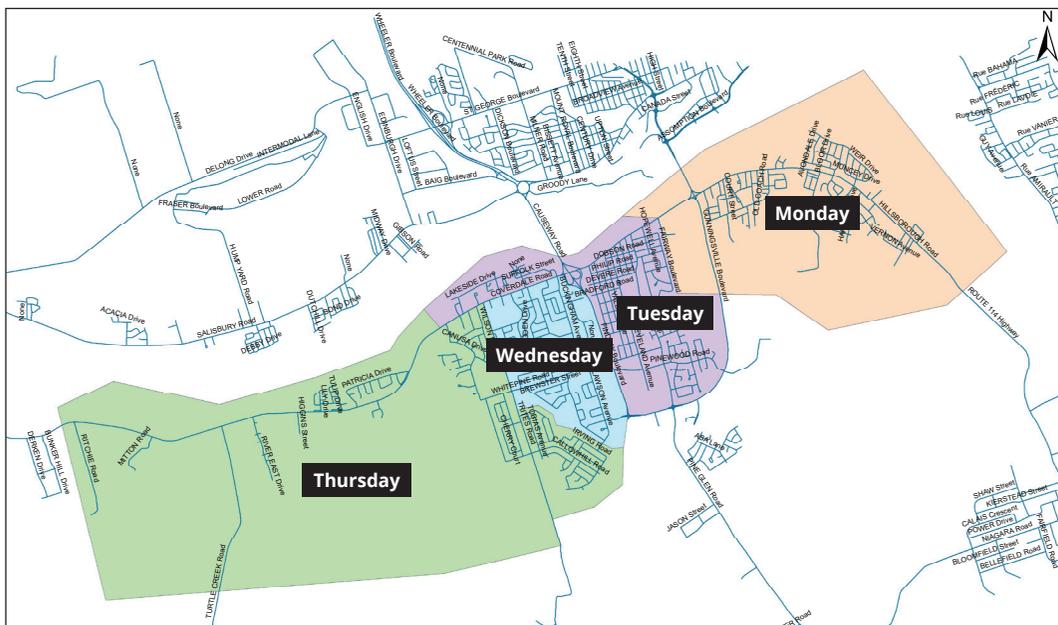

The Garbage Collection Schedule in Riverview is changing from a three-day collection to a four-day collection week. Please check the map and schedule for information.

The Town of Riverview requires the separation of recyclables in a blue bag, organics in a green bag, and garbage in a clear bag. The green bag is collected weekly and the blue and clear bags are picked up on alternating weeks. Learn more about what goes in which bag using Eco 360s sorting guidelines and online sorting tool at

www.eco360.ca

Waste must be at the curb before 6 a.m. on the day of collection, but not before 6 p.m. on the night before collection. Each bag must weigh less than 18 kg (40 lb). Black bags will not be collected during regular garbage collection or Bulk Waste Collection weeks.

FALL BULK WASTE COLLECTION

Sept 28-Oct 2

A special bulk waste collection is held twice per year (spring and fall) for items not normally collected at the curbside. This includes household appliances, furniture, large electronics, yard clippings, etc. Remember, you can also donate usable furniture and household items to EnviroPlus (853-7722) and Habitat for Humanity ReStore (384-4664). The following list of items will not be collected during Bulk Waste Collection Week:

- Asphalt shingles
- Concrete & bricks
- Wood products (lumber, fencing, etc.)
- Gyprock & drywall
- Toilets & plumbing fixtures
- Tires
- Windows

A full, detailed list of non-collectible items can be found page 9 of the Town's Garbage Collection By-Law at www.townofriverview.ca

For the safety of collectors, **hazardous, commercial and construction waste** cannot be picked up at the curb.
