RIVERVIEW PLANNING ADVISORY COMMITTEE (PAC)

The Riverview Planning Advisory Committee is a non-political group who provide input on land use planning related issues in the Town. Under the *Community Planning Act*, they provide advice to Council on amendments to the planning related by-laws and rezonings as well as the location of new infrastructure and lands for public purposes. The committee acts as an approval body on variances, temporary uses, conditional uses, similar or compatible uses and extensions to non-conforming uses. Please note that some proposals may contain more than one application (ie. a conditional use that requires a variance).
