Skating Rules

- Children 12 years and under must wear a helmet
- Adults are not permitted on the ice during child skates unless their child is in need of assistance. In this case, the adult must stay with that child at all times.
- No pushing, shoving, sitting on side boards or racing.
- Center ice is for younger and inexperienced skaters. Children learning to skate with parents should use the center ice area.
- Any inappropriate behavior or language is strictly prohibited
- No skating backwards, all skaters must skate in the direction of the “flow”
- Public and child skates are not the time for figure skaters to practice
- All objects such as pucks, hockey sticks, strollers, sleds etc are strictly prohibited
- No food or drink allowed on the ice
- **NO boots** are allowed on the ice
- Mobile device texting on the ice surface is prohibited
