

New collection schedule

See back for more details ▶

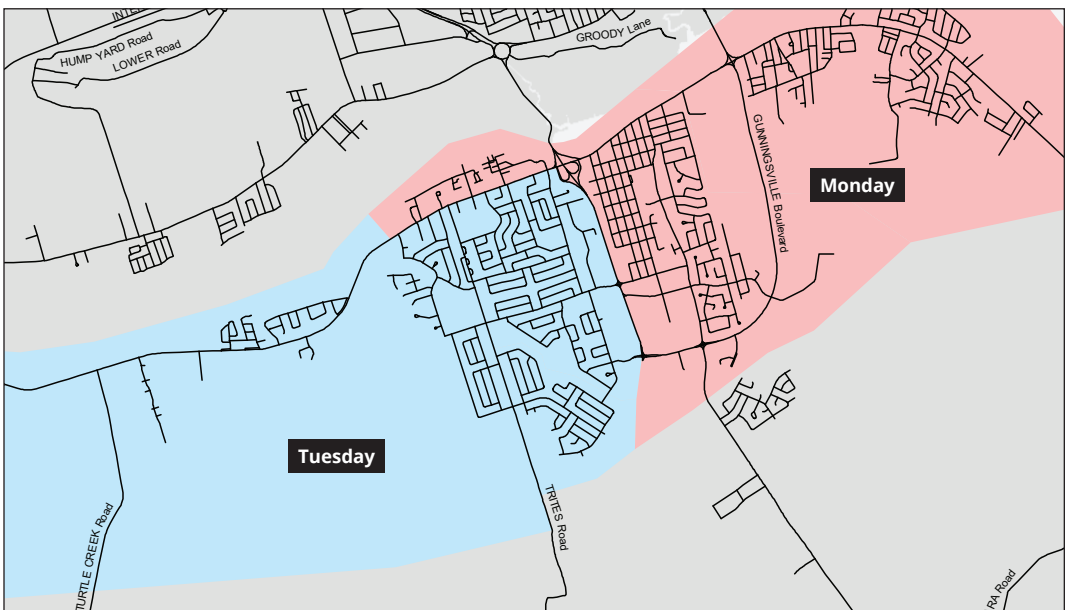

The Garbage Collection Schedule in Riverview is changing from a four-day collection to a two-day collection week. Please check the map and schedule for information.

The Town of Riverview requires the separation of recyclables in a blue bag, organics in a green bag, and garbage in a clear bag. The green bag is collected weekly and the blue and clear bags are picked up on alternating weeks. Learn more about what goes in which bag using Eco 360s sorting guidelines and online sorting tool at

www.eco360.ca

Waste must be at the curb before 6 a.m. on the day of collection, but not before 6 p.m. on the night before collection. Each bag must weigh less than 18 kg (40 lb).

BULK WASTE COLLECTION UPDATE

Residents can now dispose of one bulky item every two weeks alongside their clear garbage. Bulk waste collection was previously held twice per year (spring and fall). This includes household appliances, furniture, large electronics, yard clippings, etc. Remember, you can also donate usable furniture and household items to EnviroPlus (853-7722) and Habitat for Humanity ReStore (384-4664). The following list of items will not be collected curbside:

- Asphalt shingles
- Concrete & bricks
- Wood products (lumber, fencing, etc.)
- Gyprock & drywall
- Toilets & plumbing fixtures
- Tires
- Windows

A full, detailed list of non-collectible items can be found page 9 of the Town's Garbage Collection By-Law at www.townofriverview.ca

For the safety of collectors, **hazardous, commercial** and **construction waste** cannot be picked up at the curb.

New schedule begins the week of July 3

Monday
