

LEADING FROM HOME

A VIRTUAL SUMMER
LEADERSHIP PROGRAM
FOR RIVERVIEW
YOUTH

WHAT IS IT?

Leading from Home is a 8 week long leadership program for Riverview youth ages 11 to 17 who wish to make a difference in their community while learning how to become the best leader they can be!

WHEN DOES IT START?

The **Leading from Home** program will begin on June 29th and will run until August 21st. Registration opens June 13th, and will remain open until the halfway point of the program on July 26th.

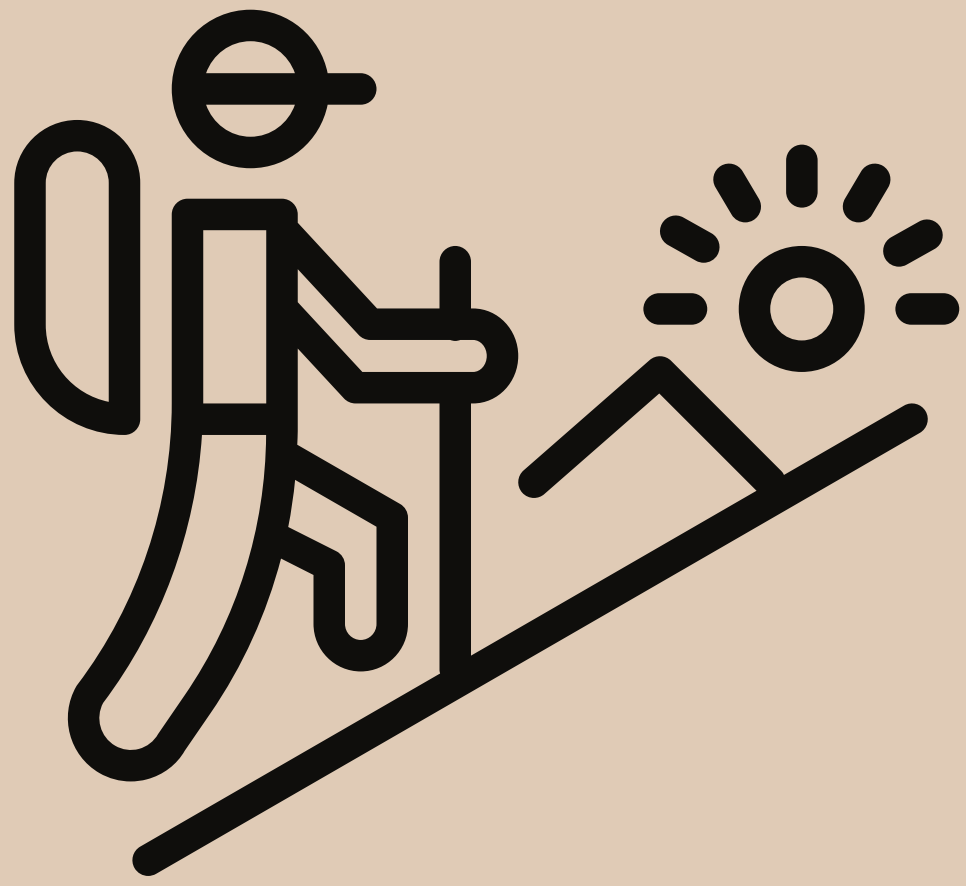

WHAT IS THE PURPOSE?

Without the Junior Leadership program operating this summer due to restrictions from Covid-19, **Leading from Home** is an opportunity for Riverview youth to stay engaged in their community this summer, while acquiring new skills and knowledge to support them in being a leader in all areas of life.

WHAT'S IN IT FOR ME?

Over the course of the summer, if program participants complete five acts of volunteering, as well as participate in five webinars, they will receive a certificate of completion! Furthermore, participants who demonstrate admirable leadership qualities will have the chance to win weekly prizes!

HOW DOES IT WORK?

Every Friday we will be offering a different activity in the community which will allow for program participants to interact and get active while complying with Covid-19 guidelines

Every Wednesday we will be hosting a virtual discussion/Q&A with empowering individuals and organizations from the community

With a new volunteer opportunity every week, program participants will have various opportunities to give back to their community while complying with Covid-19 guidelines

Every Tuesday and Thursday we will be offering optional one on one mentoring sessions for participants who are seeking for assistance with the program or life advice in general!
